

SHAH N.H. COMMERCE COLLEGE, VALSAD

Remedial Lecture For

“ SLOW LERNER’S STUDENTS CLASS ”

As a Part of Best Practices for College Students & NAAC also our College started Slow Learning Class. Slow learning is not a learning disability. Here's how we can help slow learners meet challenges and overcome learning issues. There will be some students who are slow learners in every class. However, with some extra care and attention, these slow learners will be able to keep up with other students.
